Dishwasher 736659 GV662D60

USP :

Clear water sensor

TouchControl	Navigating your dishwasher has never been easier. All the controls are located at an ergonomic position with a straightforward left-to-right logic of operation. While all models excel with the white LED display, some of the more advanced models are also enriched with touch control. Just one touch is enough to start the dishwashing process.
Status LedLight	The special LED lamp installed on the lower part of the dishwasher door constantly indicates the current stage of the dishwashing program. That way you always know whether dishwasher is working or if the washing cycle is over.
Height adjustable upper basket MultiClack	Yes, empty The truly simple two or three level basket adjustment system allows you to fit even the biggest pots and plates and makes your dishwasher interior completely adjusted to your current needs.
TotalDry - automatic door opening	After the washing cycle, the dishwasher door automatically opens just slightly to let out the excess steam. This allows fresh air to reach the crockery so the washed items, like plastic dishes, dry completely. Excellent for quick drying with low energy consumption.
Function 3 in 1	

Selfcleaning filter	
16	The SmartFlex dishwashers offer enough space for all your needs. Three baskets enable washing up to 16 place settings at a time. The fully flexible interior allows for different loading options, the use is simple and the washing effects are perfect.
Ability to create own programmes QuickIntensive programme	Memory programme With optimizing all stages of dishwashing cycle, SmartFlex dishwashers can do the job in just one and half hour. That means you can get a full load of dirty dishes perfectly clean and dry much faster than doing it by hand while using much less water and energy.
Eco programme Automatic programme	ECO programme Sometimes all you need is to give the glassware a light rinse, on other occasions your dishwasher is full of heavy dishes left over from Sunday lunch. The advanced sensor technology will always adjust your dishwashing programme to clean dishes perfectly with optimized water and energy consumption. You do not need special programmes for glass or intensive cleaning - the single AutoProgramme will adapt to all your needs.

Automatic water-softener dispenser for better washing performance	Automatic water-softener for better washing performance
Error indicator	Error Indicator
Number of baskets	3
Number of spray arms	3
Number of water jet levels	5
SuperSilent	45 dB(A)re 1 pW
Motor	Asynchronous single phase motor
Overflow protection	Total AquaStop

Basic information :

Installation type	Full-integrated
Product group	Dishwasher
Brand	GORENJE
Product name / Family	Dishwasher
Commercial code	GV662D60
Internal article number	736659
EAN code	3838782470813
Construction type	Built-in
Color / Material panel	Jet black N/A Synthetic material
Type of control	Mechanical and electronic
Color / Material body	N/A
Door panel options	Possible but accessory
Tub material	Stainless steel
Hidden heating element	Yes
Connection Rating	1900 W
Current	10 A
Voltage	220-240 V
Frequency	50 Hz
Marks of conformity	CE,0D,EAC,HR,UA2019,JUS00516
Length of electrical supply cord	182.5 cm
Plug type	Euro
Length inlet hose	183 cm
Length outlet hose	150.00 cm
Adjustable plinth	Vertical
Height with worktop	817 mm
Adjustable feet	No
Back adjustable feet from front	Yes
Height	817 mm
Width	596 mm
Depth	571 mm
Height of the packed product	890 mm
Width of the packed product	640 mm
Depth of the packed product	665 mm
Min height of installation niche	820 mm
Min width of installation niche	600 mm
Depth of installation niche	585 mm
Net weight	31 Kg
Gross weight	33,3 Kg

Features :

Short description of the product	DW30.2-GV662D60 - SUPERIOR LINE
Water protection system	Yes
Water protection system description	Full
Number of programmes	5
Number of different wash temperatures	5
Quick wash	Yes
Intensive programme	Yes
Automatic programmes	Yes
Delicates programme	No
Water softener	Yes
Special glass care programme	No
Child safety devices	No
Maximum temperature for water intake	70 °C
Drying system	Residual heat
Start delay options	Continuous
Stop delay or a start delay option	Start
Single basket washing	Not possible
Digital countdown indicator	Yes
End of cycle indicator	Sound and light signal
Salt light indicator	Yes
Rinse aid light indicator	Yes
List of programmes	Automatic, Intensive programme, ECO programme, Crystal glasses, 1h wash,
Interior light	No
Adjustable upper basket	Yes

Basket with handle	N/A
Software update	No

Energy label information / Performance :

Total annual water consumption	3080 l/annum
Power consumption in left-on mode - NEW (2010/30/EC)	0,49 W
Power consumption in off-mode - NEW (2010/30/EC)	0,49 W
Duration of the left-on mode - NEW (2010/30/EC)	0.00 min
Reference programme	1
Total cycle time of reference programme	205 min
Cleaning performance	A
Drying performance	A
Number of place settings	16
Noise level	45 dB(A) re 1 Pw
Energy efficiency class	A+++
Energy consumption annual - NEW (2010/30/EC)	242,0 kWh/annum
